

Knowledge Transfer Partnerships

Access expertise & innovation with KTP & LJMU

Knowledge Transfer Partnerships (KTP) support UK businesses wanting to improve their competitiveness, productivity and performance, by accessing the knowledge and expertise available in UK Universities. For 40 yrs KTP has been Europe's leading knowledge transfer scheme

The average business benefits for a KTP project may include:

- An increase of more than £1 million in profits before tax
- Creation of three new jobs
- An additional 31 company staff trained

Find out more by joining us for breakfast on
Monday 7th September 2015 at 8.30am
at Liverpool Science Park, 131 Mount Pleasant, Liverpool,
L3 5TF
